Limited Review Report

To the Board of Directors of Indo Tech Transformers Limited

We have reviewed the accompanying statement of unaudited financial results of Indo Tech Transformers Limited ('the Company') for the quarter ended 30 June 2018 attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations'). Attention is drawn to the fact that the figures for the 3 months ended 31 March 2018 as reported in these financial results are the balancing figures between audited figures in respect of the full previous financial year and the published year to date figures up to the third quarter of the previous financial year. The figures up to the end of the third quarter of previous financial year had only been reviewed and not subjected to audit.

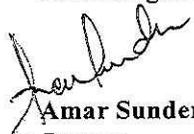

This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial results based on our review.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity specified under section 143(10) of the Companies Act, 2013. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial results are free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Attention is invited to Note 2 to the financial results which more fully discusses the going concern related matters. Based on the current business plans, commitment by the holding company to provide financial and other assistance as is necessary to enable the Company to continue in operational existence for the foreseeable future and at least for a period of 12 months from the reporting date and availability of banking limits, the Company believes that it would be able to meet its financial requirements and no adjustments would be required in respect of the carrying value of assets/liabilities as at 30 June 2018. Accordingly, the statement has been prepared on a going concern basis.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards i.e. Ind AS prescribed under Section 133 of the Companies Act, 2013 and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations including the manner in which it is to be disclosed, or that it contains any material misstatement.
